ABOUT ECU

ECU is a comprehensive university with a nationally ranked medical school, a dental school, doctoral programs in biomedical sciences, and a College of Engineering and Technology.

Popular programs include master's degrees in biomedical engineering, business administration (MBA), public health (MPH), communication, psychology, and numerous MAEd programs in a variety of teaching disciplines. Popular certificate programs include autism, health communication, health informatics, marketing and many others.

ECU offers campus-based, online and hybrid options in many programs.

ADMISSION REQUIREMENTS

To be admitted to a master's or doctoral program, you must have the equivalent of a U.S. bachelor's degree from a regionally accredited university.

- **TOEFL requirement:**
IBT – total score: 78, section scores: 18
- **IELTS requirement:** 6.5
- **Duolingo test:** Required score is 105.
- **GRE minimum requirement for regular admission:** 30th percentile of averaged combined verbal and quantitative score
- **GMAT minimum requirement:**
MBA – 500, MS in accounting – 500

Programs may offer waivers for standardized test scores. Contact programs for details.

Conditional admission may be offered to international applicants without submission of TOEFL or IELTS or GRE scores. Conditional admission requires successful completion of the language academy at East Carolina University and submission of GRE scores prior to full admission in an academic program.
