Summer Access to Health & Fitness!

During Fall & Spring semesters, all students taking campus-based courses pay a fee for access to the Student Health Service and Campus Recreation & Wellness facilities (Student Recreation Center, Health Sciences Complex, North Campus Recreation Complex, etc.) You may not notice this fee because you are looking at the bottom line – your balance, which includes both tuition and fees. However, in the summer when a student is not enrolled in credit bearing courses, there are no fees for the student to pay because there is no “invoice” or “bill” from the university in your account.

Many graduate students do not enroll in any credit bearing courses during the summer semesters, yet they are still present on campus doing research or working in some type of assistantship. These students are still able to access the facilities of Campus Recreation & Wellness and the Student Health Service; however, an access fee is required to continue access.

Campus Recreation & Wellness and the Student Health Service both have a summer option access fee for students who want to continue to access these services in summer months despite not being enrolled in credit bearing courses! Please review the websites for Campus Recreation & Wellness and the Student Health Service to learn more about the access fees including the starting & ending dates and the cost.

These campus services are fee-based for all students in campus courses and in Summer, because the student is not enrolled in campus-based courses, the fee is separate and you can visit these offices to request and pay for access.

If you have any questions, please contact the services directly at Student Health Service or 252-328-6841 and Campus Recreation & Wellness at 252-328-6387.
Thesis/Dissertation Boot Camp has room for YOU!

If you need focused writing time to work on your master’s thesis or doctoral dissertation, Boot Camp is for you!

Each semester, the Graduate School, University Writing Center, and Joyner & Laupus Libraries host thesis/dissertation boot camp. In this three-day workshop, graduate students spend 3-4 hours per day working on their document or project - typing content such as chapters, graphics, tables, references and more! The goal is to provide focused writing time to help you produce pages. Please join us or email coxka@ecu.edu if you have questions.

PhD Students - Watch Your Email for the Survey of Earned Doctorates (SED)

We, at the Carolina MudCats, want to honor our military at home by giving free admission to anyone with a military ID during Memorial Weekend (May 24-26) & Memorial Day (May 27). They can bring their families at no cost and enjoy a relaxing and entertainment filled weekend celebrating their service and honoring the sacrifice of those before us. The only thing needed will be their military ID. If they would like to reserve seating, they can call in advance at 919-269-2287 (CATS) and mention they are military servicemen or servicewomen.

Still Not Registered for Fall?

Please register for Fall 2019 today!

When you register early, it allows you to know your financial obligations. This helps with planning finances, applying for and understanding financial aid, and will also help you review your progress towards your degree in Degree Works.

How Do I Register?

Graduate Students are expected to register themselves for courses via Banner Self Service. Your official schedule must be reviewed via Banner Self Service each semester. It is the student’s responsibility to ensure your schedule is accurate each semester including correct course name, number, section number, and number of credits. To learn more about using Banner Self Service for early registration, review the helpful guides on the Registrar’s website. Graduate students do not need registration PINs.

How Long is the Add/Drop Period?

At ECU, the “add/drop” period is called the Course Adjustment Period and the last date for course adjustments is in the academic calendar for each semester. Students are responsible for adding & dropping courses by this deadline. It is the 5th day of classes in the Fall & Spring Semesters and is typically the 2nd day of classes in summer sessions. Consult the academic calendar for each semester’s deadlines.

Courses are rarely added to a student’s schedule after the Course Adjustment Period has ended. If this is requested and permitted, the student will be required to pre-pay all tuition & fees.

Late requests should come from the Graduate Program Director to the Registrar and Graduate School. The policy on schedule changes is always in the Graduate Catalog.

Course and Term Withdrawals

Any course “dropped” after course adjustment period deadline is not a drop - it is a course withdrawal and a W is listed on the transcript. If a course withdrawal is requested after the deadline, there could be a grade of F along with the W. It is important to consult with your advisor prior to withdrawing from any course and ensure you make withdrawal decisions prior to the deadline each semester.

Term withdrawals occur when a student withdraws from all courses in a semester. It is the student’s responsibility to email the Registrar, course instructors, and program directors to notify them of this action. The withdrawal policy and procedures are explained in the Graduate Catalog. Withdrawals, either course or term, may affect assistantships, financial aid, and eligibility for student health insurance. Students may consult with graduate program directors, academic advisors, and/or the Dean of Students Office to discuss the impacts of course or term withdrawals.

All Graduate Students are responsible for reviewing university policies in the Graduate Catalog.
