Committee meeting agendas fill up approximately two months in advance, so please plan accordingly. Completed curriculum packages will be reviewed for placement on the agenda at the Curriculum Support step and are put on GCC agendas in the order received *and* meeting time permitting. Note example: Even if your package is completed and reaches the GCC approval step by January 25, it **does not guarantee** your package will make it on an agenda prior to the deadline; therefore, *it is recommended to have your package completed by January 1, 2022.*

Curriculum changes approved by the GCC after the above deadlines will not be reflected in the 2022-2023 catalogs.
